**50 YEARS AT FULL SPEED!**

## Celebrating 50 Years at Full Speed! ...with three days of hot laps and high drama

### NTT INDYCAR SERIES

Excitement and mystery come together as a star-studded field of proven winners and champions makes up this year's NTT INDYCAR SERIES race at Long Beach! The field includes defending race winner and six-time series champion Scott Dixon, the 2024 (and three-time) series champion Alex Palou, 2022 Long Beach champion and 2023 & 2024 Indy 500 winner Josef Newgarden, two-time Long Beach winner Alexander Rossi and 2021 Long Beach winner Colton Herta, plus popular Mexican driver Pato O'Ward and many more! The 85-lap battle takes the green flag at 1:15 p.m. Sunday.

### IMSA WEATHERTECH SPORTSCAR CHAMPIONSHIP

Two high-speed classes – the high-tech Grand Touring Prototype (GTP) class featuring hybrid-powered prototypes and the exciting sports cars of the GT Daytona (GTD) class – will battle it out in 100 minutes of wheel-to-wheel action, including midrace driver changes on Saturday at 2 p.m. Four car makers -- Acura, BMW, Cadillac and Porsche – field these state-of-the-art GTP machines that combine a traditional internal combustion engine with a hybrid system for ultimate power and efficiency. The GTD class features a variety of makes and models with GT3 specification cars resembling those driven on the streets, but modified for racing.

### SUPER DRIFT CHALLENGE

A pack of top Formula DRIFT drivers will be smoking, slipping and sliding their cars through Turns 9-10-11 under the lights Friday and Saturday evenings in two action-packed events.

### GT AMERICA POWERED BY AWS

GT America features a single-driver 40-minute sprint format with three classes of cars - GT2, GT3 and GT4 - racing together. Manufacturers Acura, Audi, Aston Martin, BMW, Ferrari, Maserati, McLaren, Porsche and Toyota are represented and there are two races, on Saturday afternoon and Sunday at this year's Grand Prix.

### SPEED ENERGY STADIUM SUPER TRUCKS

One of the most popular events of the weekend, the Speed Energy Stadium Super Trucks excite fans as they fly off ramps and bash each other through turns for two 30-minute races on Friday and Saturday. Led by local fan favorite Robby Gordon, the SPEED Energy Stadium SUPER Trucks feature identically prepared high-horsepower trucks, bringing off-road stadium excitement to the streets of Long Beach.

### HISTORIC FORMULA EXHIBITION

As a nod to the 50th anniversary, legendary cars from three iconic series that have previously raced here – Formula 5000, Formula 1 and INDYCAR – will compete together for the first time on Saturday and Sunday of race weekend. From Formula 5000 there is the #48 All-American Racers Gurney Eagle, which was the event's first pole winner and first-ever to turn a wheel on the racetrack in 1975, piloted at the time by Vern Schuppan. From Formula 1 is the historic 1977 race-winning #5 John Player Lotus 77 which was famously driven by Mario Andretti. The Indy car entries will be headed by the 2005 Long Beach-winning car of Sebastien Bourdais, the #1 Ford Lola 05/00. Bourdais' 2005 win was the first of three consecutive Long Beach wins the Frenchman would take for Newman/Haas Racing.

## GRAND PRIX FOUNDATION

**More than \$4.2 million has gone to local charities**

Now in its 34th year, the Grand Prix Foundation of Long Beach raises and distributes funds to local nonprofit organizations while also working with the Long Beach City College Automotive Technology Program through events held in conjunction with the Acura Grand Prix of Long Beach.

On **Sunday, April 6**, the Foundation will host its 7th annual Grand Prix 5K starting at 7 a.m., a popular event that lets participants run/walk on the famed Long Beach race circuit in a fun, family-oriented 5K, complete with finishing medals, displays and hospitality. Visit <https://runsignup.com/Race/Info/CA/LongBeach/LongBeachGrandPrix5K> for more info and to register for the event.

On **Thursday evening, April 10**, the Road Racing Drivers Club and the Grand Prix Association of Long Beach will co-host a special gala dinner at the Westin Long Beach in celebration of the 50th Anniversary Acura Grand Prix of Long Beach. Benefiting the Mark Donohue Foundation and the Grand Prix Foundation, the event will honor Long Beach legends Mario Andretti, Brian Redman and Al Unser Jr., and is hosted by Bobby Rahal. The event will also include live and silent auctions with a wide variety of memorabilia and “priceless” items expected to be auctioned.

Tickets to the charity dinner are available at [https://onecau.se/\\_827281](https://onecau.se/_827281). The price is \$400 per person. More details are available at that link and here: <https://rrdc.org/2024/12/18/rrdc-to-celebrate-50-years-of-racing-at-long-beach-with-expanded-legends-dinner-and-gala/>.

The Foundation also supports the **Robert E. Leslie Scholarship Program** giving \$1,500 grants to seven Long Beach-area high school seniors, donates race tickets/hospitality packages to charities and civic organizations for their fundraising and organizes and assists in bringing physically challenged youngsters to a day at the races. For more information about the Foundation and its activities, visit [gplb.com](http://gplb.com) or call (562) 490-4509.
